

YUDEZIGN

CUSTOM CABINETRY & CLOSETS

2026

Cabinets & Closets

The 2026 Collection. Designed, built and delivered from Houston, Texas.

CRAFTING EXCELLENCE IN EVERY CABINET

SIMPLICITY MEETS ELEGANCE

More than just cabinets. *It's a lifestyle.*

We build frameless, full-access cabinetry in our own Houston shop, engineered from $\frac{3}{4}$ " plywood, finished in thirty-plus colors, and delivered without the wait. Not a boxed-in showroom set; cabinets made for the way you actually live.

BORN & CRAFTED IN HOUSTON, TX

2026 COLLECTION

What's inside

A cabinet & closet line built the way good rooms should be: simply, honestly, and beautifully.

— BORN IN HOUSTON

Traditional craft, modern precision.

Proudly made in Houston, Texas, our cabinets combine the warmth of hand craftsmanship with the accuracy of modern machinery.

From your first sketch to final install, we design, build and deliver in as little as two weeks.

OUR STORY

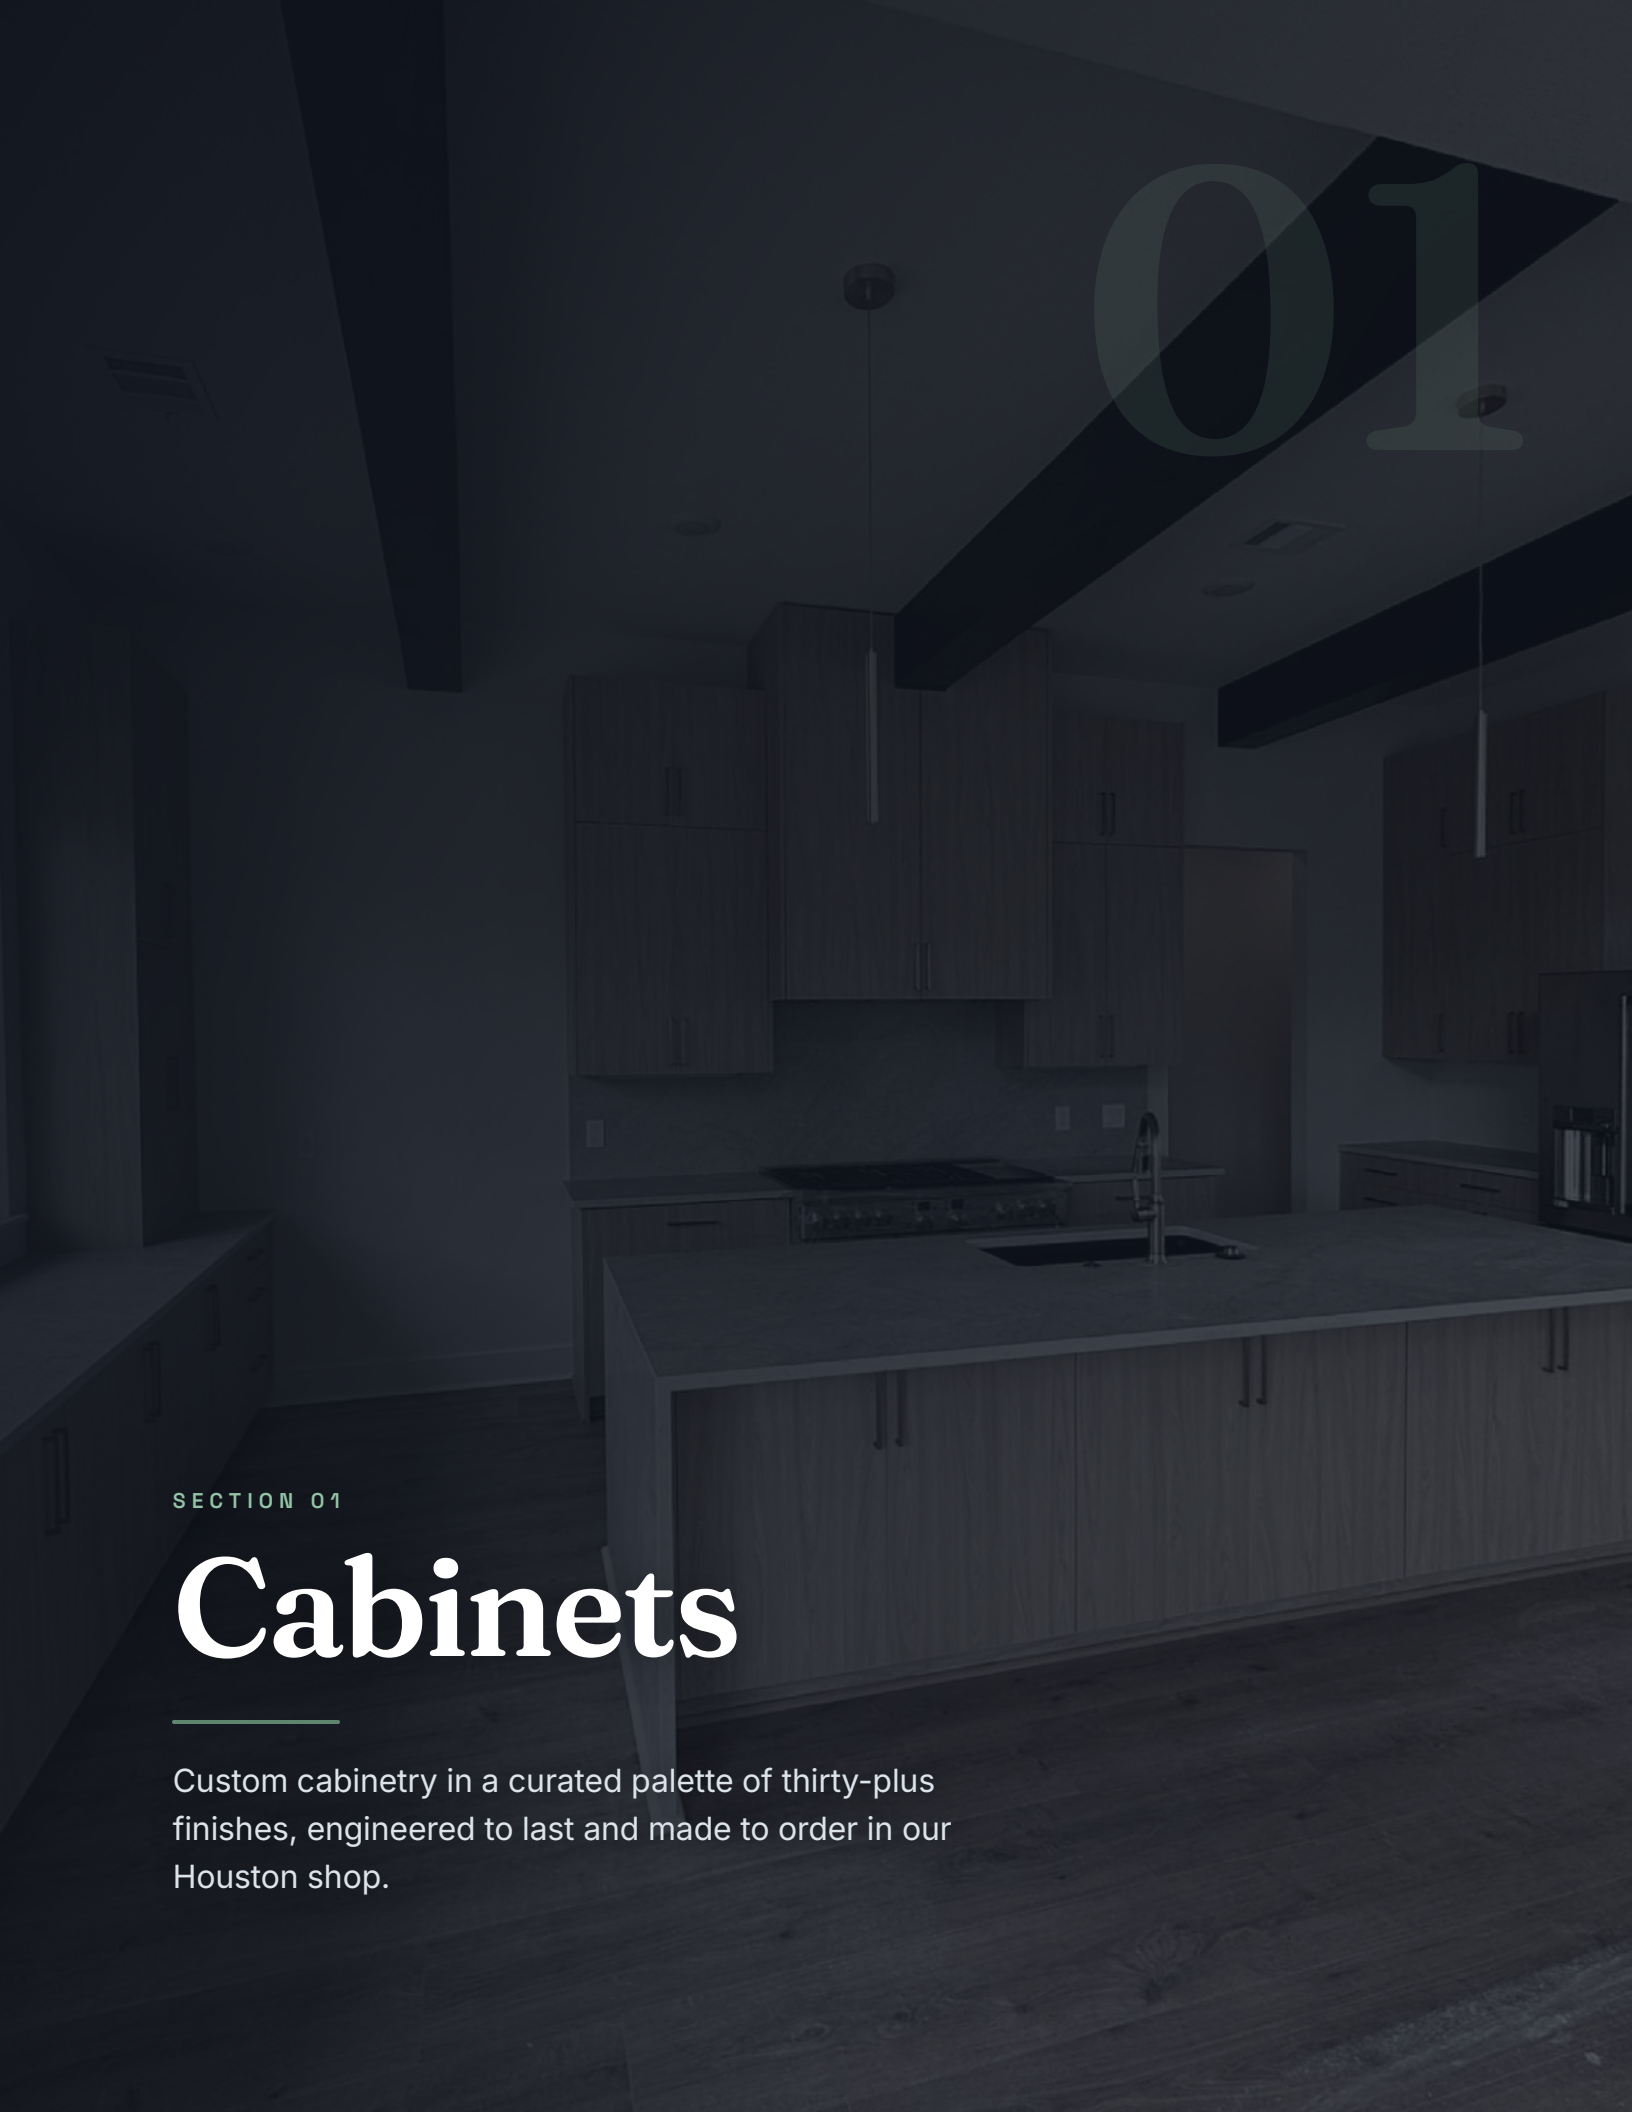

Designing dreams, built in Texas.

YuDeZign began with a simple belief: that custom cabinetry should be within reach, beautiful and well-built, delivered without the wait.

Every carcass is cut and edge-banded on state-of-the-art equipment, then finished in your choice of more than thirty colors. Whether it's a whole kitchen or a single walk-in closet, the same care goes into every piece.

"We don't just build cabinets. We build the rooms your life happens in."

THE YUDEZIGN STUDIO

01

SECTION 01

Cabinets

Custom cabinetry in a curated palette of thirty-plus finishes, engineered to last and made to order in our Houston shop.

THE YUDEZIGN CABINET

Flat panel, frameless

One door style, done right. Every YuDeZign cabinet is a **frameless, flat-panel** build: a clean slab door over a full-access European carcass, ready to wear any color in our palette.

FRAMELESS CONSTRUCTION

Full-access, more space

Built frameless: a European full-access box with no face frame. That means wider door and drawer openings, more usable storage, and an uninterrupted, modern face across an entire run.

"One clean line, wall to wall."

Flat-Panel Slab

A single contemporary profile: minimal, seamless and quietly striking in matte, woodgrain or high-gloss. No rails, no fuss; just one clean line.

FLAT-PANEL, FRAMELESS CABINETRY IN A NATURAL WOODGRAIN • COLLEGE STATION, TX

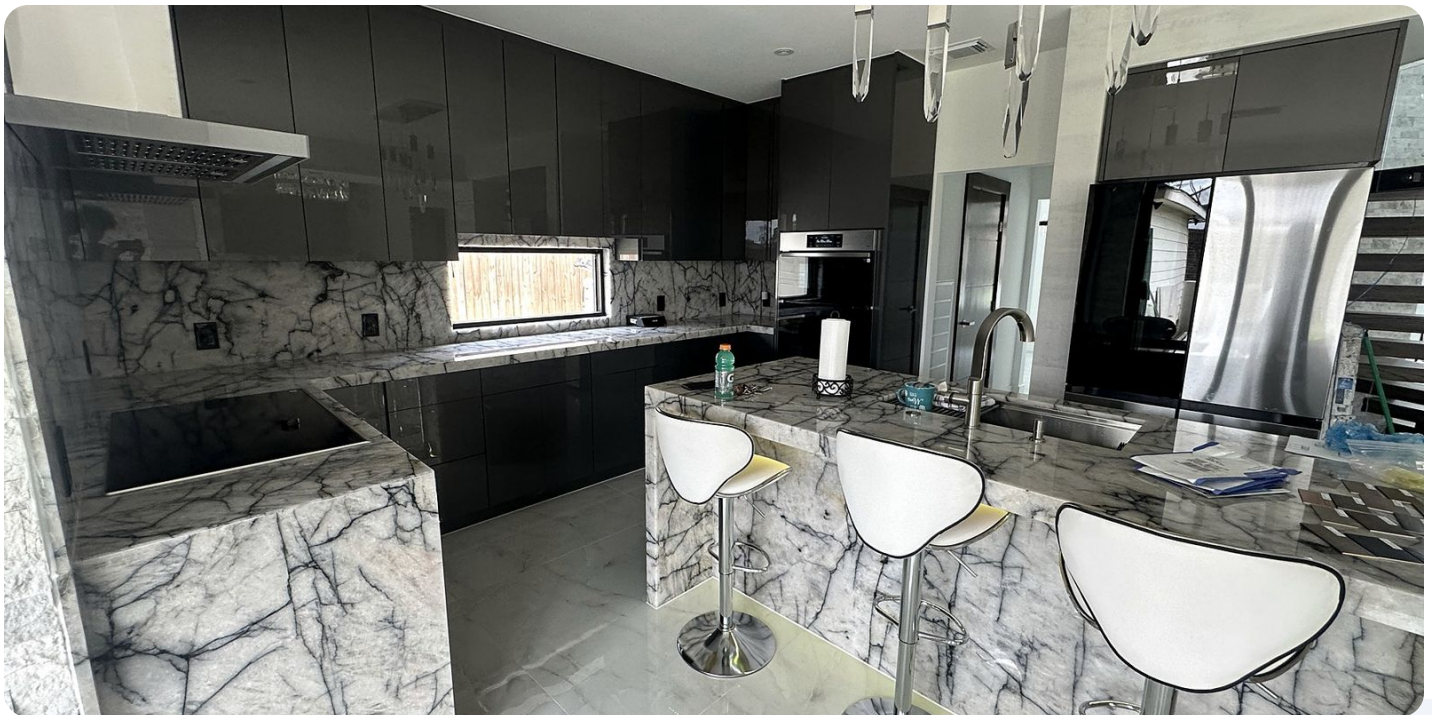

QUALITY CONSTRUCTION

Built to last

With state-of-the-art equipment, every piece we cut and edge-band meets the highest standard. The details you don't see are the ones that hold your kitchen together.

-  **¾" Plywood Box**
Carcasses are predominantly ¾" plywood, with particleboard available on request.
-  **3-in-1 Connectors**
Cam-and-dowel connectors lock every joint tight, square and true.
-  **French Cleat Hanging**
Wall cabinets hang on a French cleat for a fast, dead-level, secure install.
-  **Soft-Close, Standard**
Soft-close hinges and slides come standard on every door and drawer.
-  **Made to Order**
Built to order in our Houston shop, often in as little as two weeks, depending on finish and scale.
-  **Flat-Pack or Assembled**
Delivered your way: ready to assemble, or fully built and finished.

"Crafting excellence in every cabinet, from the finest materials to the final finish."

FRAMELESS, FLAT-PANEL CABINETRY, ENGINEERED AND FINISHED IN OUR HOUSTON SHOP

HARDWARE

The details that finish the room

All our hardware comes in three finishes to suit every personality, paired with soft-close slides and a curated range of pulls and knobs.

Brushed Nickel

Warm, satin sheen. The versatile everyday choice.

Polished Chrome

Bright, reflective and crisp for a contemporary edge.

Matte Black

Bold, modern contrast that grounds any palette.

Choose from bar pulls, arch pulls and knobs, sourced from trusted partners including Häfele, Würth, Blum and DTC.

INTERIOR FITTINGS & ORGANIZERS

Corner lazy-susans

Pull-out shelves & trays

Fitted drawer inserts

Fit any cabinet from the inside out: **soft-close pull-outs, corner lazy-susans, wire baskets, waste-bin pull-outs, cutlery & utensil trays, spice racks and wine storage**, specified from Häfele, Blum and Rev-A-Shelf. And we don't stop at storage: integrated LED lighting and more can be built right in.

SECTION 03

Closets

A place for everything, beautifully. From a tidy reach-in to a walk-in wonder.

THE WALK-IN

Closets, considered

From a tidy reach-in to a walk-in wonder, YuDeZign closets are built from the same cabinet-grade materials as our kitchens: shelves, drawers, rods and cubbies, configured entirely around the way you live.

— Walk-in & reach-in

Systems scaled from a single reach-in to a full dressing room, wall-hung or floor-based.

— Adjustable everything

Shelves, rods and drawers reposition on a pin system as your wardrobe changes.

— Cabinet-grade finish

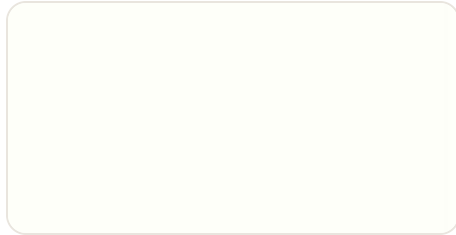

The same durable finishes and soft-close hardware found throughout our cabinetry.

CLOSET FINISHES

Twelve ways to open a door

A curated closet palette, from crisp whites to deep walnuts, in the same frameless, flat-panel cabinetry that runs throughout the home.

White

Cashmere

Soft Gray

Silver Wisp

Storm Grey

Dark Grey

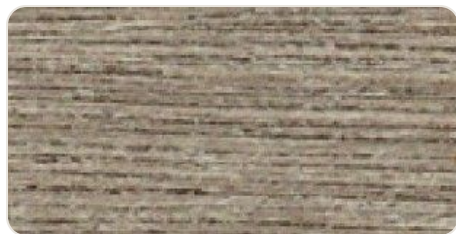

Black

Sweet Maple

Noce Moscato

Latitude East

Silk Road Walnut

Liquorice Groovz

Not limited to these twelve

Closets aren't limited to the palette above: any finish from our cabinetry range, including the woodgrains, soft-touch matte and specialty colors shown in the Finishes section, can be applied to your closets and wardrobes.

FITTED ACCESSORIES

Fitted for the way you live

Purpose-built organizers turn a closet into a dressing room, with every rod, rack and drawer where you need it.

Clothes Bars

Full-width hanging in single or double height.

Wire Baskets

Ventilated pull-outs for folded essentials.

Shoe Racks

Angled shelving that keeps every pair in view.

Pants Racks

Pull-out bars for wrinkle-free trousers.

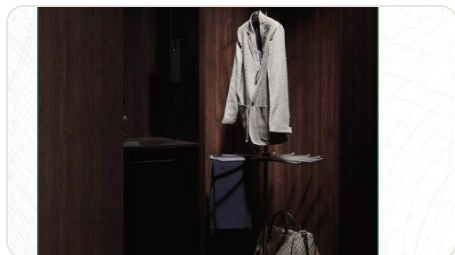

Trouser Racks

Slide-out organization for tailored pieces.

Jewelry Drawers

Felt-lined trays for watches and fine pieces.

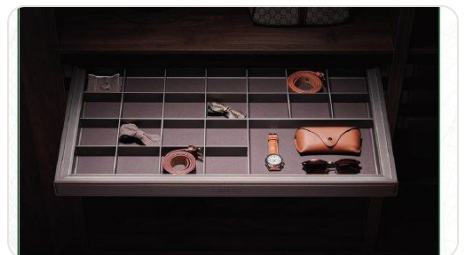

Laundry Hampers

Concealed, removable bins tucked out of sight.

Valet & Hangers

Pull-out valet rods for tomorrow's outfit.

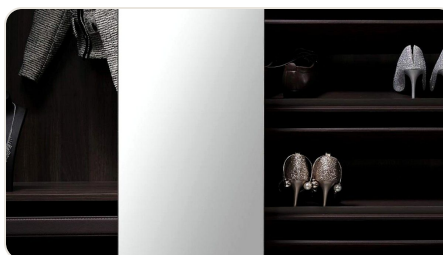

Accessory Trays

Dividers and inserts that tidy the small things.

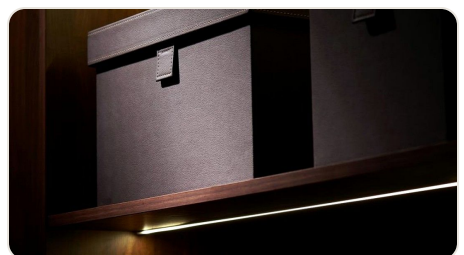

Watch Winders

Powered winders keep automatic watches ready to wear.

Pull-Out Mirror

A full-length dressing mirror that slides away.

Lidded Boxes

Leather storage boxes for off-season pieces.

FEATURED PROJECT • HOUSTON, TX

A wall, made to measure.

A bespoke two-tone media & display built-in: floating shelves, integrated lighting and concealed storage, designed and built to the inch by YuDeZign.

DESIGN SERVICE

Let us design for you

Dive into our in-house design studio, where your ideas meet our expertise. Whether you're maximizing a small closet or planning a walk-in wonder, we bring your vision to life in photorealistic renderings, before a single panel is cut.

1**Consult**

Share your space, measurements and inspiration.

2**Design**

We lay out cabinetry and closets to fit.

3**Render**

See it in lifelike 3D and approve the look.

4**Build**

Into production in our Houston shop.

5**Install**

Delivered flat-pack or assembled to your door.

"Create what you need, and watch it come to life in renderings."
