Our pricing sheets are organized by cabinet finish so you can **budget across units fast**, with volume pricing for multi-unit programs. Custom width modifications are welcome.

Specifying a particular surface? We also lay up **custom laminates on plywood or MDF cores**, single- or double-sided: a common commercial request we're equipped for. Sourcing adds to the lead time, and pricing varies by laminate.

Once an order is finalized, production is completed **in as little as two weeks**, depending on finish and scale, with phased delivery available.
